

Type straight into the boxes, save the PDF and send it to [hello@finestwebgeek.com](mailto:hello@finestwebgeek.com). Skip anything you don't know yet. We sign the NDA before we open any files.

## 01 You and the project

Agency name

Your name

Email

Project name

Client industry (optional)

Launch date or deadline

## 02 What you need

Type of work (tick all that apply)

- ☐ Design to WordPress (Figma, XD)
- ☐ WooCommerce store
- ☐ Divi 4 to Divi 5
- ☐ White label care plan

- ☐ Divi or Elementor build
- ☐ Migration to WordPress
- ☐ Fixes or small changes
- ☐ Something else

Design files or references (Figma link, Loom, sitemap)

Number of pages or unique templates

Builder and stack (Divi 5, Elementor, ACF, block theme...)

**03 Details**

Plugins, forms and integrations (CRM, booking, payments...)

Is the content ready? (text, images, products)

Staging and hosting (how you'll share access)

Anything we should know or never do

**04 How you like to work**

Where we talk (Slack, ClickUp, Asana, Trello, email)

Logo and colours for the handoff video and docs

Budget range (optional)

**What happens next**

1. We sign the NDA and send questions the same day. 2. You get a fixed quote with scope, price and date within 24 hours. 3. We build on staging, then hand it over under your brand.
